THE PROGRAM — COMPOSABLE TO YOUR STRUCTURE

5 modules. One goal: close faster, analyze deeper.

AI-powered Excel & Sheets

1 day

Formulas generated on demand, data cleaning, instant analyses: your spreadsheets finally work for you, without breaking.

OCR & automatic invoice entry

1 day

From scanned invoice to accounting entry: automatic extraction and entry with n8n and Make — zero re-keying, fewer errors.

Reporting & dashboards

1 day

Power BI or Looker Studio, with AI-generated commentary: reports that update themselves and can be read at a glance.

AI-assisted financial analysis

½ day

Forecasts, variance analyses, clear summaries for management: the AI prepares, you validate and decide.

Tax watch & compliance

½ day

Automated alerts, regulatory summaries and tracking of tax updates — with systematic human review.
