THE OFFER — COMPOSABLE TO YOUR INSTITUTION

5 modules. One goal: a more efficient public service.

Agent productivity

1-2 days

AI-assisted administrative drafting, case-file summaries, notes and minutes. Your agents save hours every week, within a defined framework.

Citizen mail & request processing

1-2 days

Automatic sorting of incoming mail, validated template replies, request tracking. Shorter, traceable response times.

Data & public dashboards

2-3 days

Consolidation of departmental data, steering indicators, automated reports for management and publication.

Procedure automation

2-5 days

Self-hosted n8n workflows on your own infrastructure: data never leaves the institution. Full sovereignty.

Framework, ethics & compliance

1 day

Internal AI charter, personal data protection (Law 09-08), responsible use cases and tool governance.
